TPS S.p.A., is an operational holding company of TPS Group, leader in the technical services field for the aeronautical industry, with specific focus on helicopters. TPS is a Borsa Italiana "Elite" company.

Founded in 1964, Technical Publications Service was one of the first Italian businesses to offer an outside service to analyse and edit technical publications for the aeronautical industry, working with the main national companies since the mid-1960s, publishing technical documents and on-board unit user manuals. The TPS Group can include leaders in the field of aircraft design and production, as well as the manufacture of aeronautical parts among its client base.
