TPS RECEIVES SERVICE EXCELLENCE AND SUSTAINABILITY AWARDS AT THE LEONARDO SUPPLIER AWARDS 2021

Gallarate (VA), 7 December 2021 – TPS S.p.A., operational holding of the TPS Group, leading company in technical and engineering services, announces having received two awards, as part of the first **Leonardo Supplier Awards**: the **Service Excellence** award, in recognition of its punctuality, quality, spirit of cooperation, and commitment to excellence, and the **Sustainability Award** in recognition of its commitment and for the results it has achieved from a sustainable development perspective.

The *Leonardo Supplier Awards 2021*, held on the final day of the eighth *Aerospace & Defense Meetings* in Turin express the will of Leonardo S.p.A. in enhancing the supply chain's commitment to excellence, the spirit of cooperation and the results achieved. The 10 best suppliers to the different divisions of Leonardo S.p.A. were identified for both categories (*Service Excellence* and *Sustainability*).

Giacinto Carullo, Chief Procurement & Supply Chain Officer of Leonardo stated: “The *Leonardo Supplier Awards* are an important element in the company's relationship with its supply chain, since they well summarise the level of excellence that the challenges of the current and future scenario require of us and our partners. The suppliers we reward today have met our expectations in an excellent way, by sharing with us the commitment to building up an increasingly competitive, innovative and sustainable industrial ecosystem.”

Alessandro Rosso, CEO of TPS commented as follows: “We would like to thank Leonardo S.p.A. for both of these prestigious awards. These are awards that gratify our entire Group, testifying our ability to create value for our customers and our significant commitment to sustainability. This is a result of great importance for all TPS colleagues who invest their energies every day to ensure a top-level service to our very important customer. The awards achieved are the result of their constant commitment and encourage us to push towards achieving new and even more important objectives.”
